

Ancient Dragon Zen Gate Sangha Week @ Green Gulch Farm

With Rev. Hogetsu Laurie Belzer

Wednesday August 21, 2024 –Monday August 26, 2024 (5 nights)

Our Ancient Dragon Zen Gate sangha, has been offered a wonderful opportunity to gather for practice at [Green Gulch Farm](#), a main San Francisco Zen Center training temple and organic farm located in Muir Beach. Green Gulch Farm is just over the Golden Gate Bridge near San Francisco in beautiful Marin County where we can walk to the ocean, stroll in the garden, and enjoy the sounds of the watershed as we engage the teachings that awaken our compassionate hearts.

During our stay, we will taste temple life as we work with the GGF community for part of the day and attend zendo events, including morning zazen & service, work-practice, and evening zazen or Dharma events. Four hours of work-practice daily is required of participants. For part of the day and evenings, we will have time to enjoy the natural beauty of the landscape and connect as ADZG sangha companions to explore, share, and bring forth the dharma together.

The SFZC fee for GGF Sangha Week is \$425 per person for the 5-night stay and includes all meals and lodging. Transportation to San Francisco and GGF are additional personal expenses and Hōgetsu can assist to you to find your way there.

If you are interested or have any questions, please contact Hōgetsu in person, or at info@ancientdragon.org as soon as possible because the trip requires some advance planning and space is limited.
